SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

United States Patent and Trademark Office
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, 1.98 and MPEP § 609, applicant(s) submit(s) the following Disclosure Statement concerning art of which the applicant(s) is (are) aware. A copy of PTO/SB/08 Form (renumbered from 1449) is enclosed.

This Second Supplemental Information Disclosure Statement should not be construed to be an admission that any information referred to herein or submitted herewith is "prior art" or is considered to be material to patentability for this invention.

The United States Patent and Trademark Office OG Notice dated 12 October 2004 published a final rule revising 37 C.F.R. 1.98 dealing with the content of Disclosure Statements. Paragraph (a)(2) was revised to read in part, "A legible copy of: (i) Each foreign patent; (ii) Each publication or that portion which caused it to be listed, other than U.S. patents and U.S. patent application publications unless required by the Office." Therefore, Applicant(s) has (have) not enclosed copies of the cited U.S.

patents and published patent applications with this Second Supplemental Information Disclosure Statement.

In accordance with 37 C.F.R. §1.97(g) and (h), the filing of this Second Supplemental Information Disclosure Statement should not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists.

Under § 1.98(a)(3), a concise explanation of relevance is required for information that is not in the English language. Accordingly, the English language documents have no further explanation.

This Second Supplemental Information Disclosure Statement now includes the translation for Utility-Model Application No. JPU62-161573. This reference was first cited in the Information Disclosure Statement filed January 8, 2009, however, the translation was not included.

Applicant(s) believe(s) that no fee is due for the filing of this Second Supplemental Information Disclosure Statement since the \$180.00 fee as required by § 1.17(p) has already been paid to the United States Patent and Trademark Office. However, if the Commissioner determines that an additional fee is due for the filing of this Information Disclosure Statement, **please charge any and all fees or credit any overpayment to Deposit Account No. 06-0308**. If there are any additional fees required by this communication, please charge same to Deposit Account No. 06-0308.

It is respectfully requested that the document listed on PTO/SB/08 Form be considered and officially cited in examination of this application.

Respectfully submitted,

Fay Sharpe LLP
